### **February 15<sup>th</sup> 2021: Atlantis Submarines Barbados Celebrates 34 Years**

As Atlantis Submarines celebrates its 34th anniversary in Barbados, we join the rest of our beautiful island in a fight against Covid-19. We hold our employees and their families in our thoughts as well as our industry colleagues, past and future patrons. We hope to continue to create wonderful memories as we look forward to returning to the new normal.

In the meantime we say thank you 34 times over for the outstanding team we have been blessed with and suppliers and thousands of patrons we have entertained. 34 years with a superb safety record, an excellent customer satisfaction record and gold environmental certification. We look forward to taking all those who want to explore underwater Barbados in an authentic, iconic submarine, in the near future.
