REQUIREMENTS FOR ENTRY INTO BARBADOS

- Complete Embarkation/Disembarkation (ED) form at travelform.gov.bb and submit 24 hours prior to travel
- To be considered for process fast-tracking upon arrival, persons with a negative COVID-19 PCR test result, taken within 72 hours prior to travel, are encouraged to travel with proof of these results
- Travellers without a negative COVID-19 PCR test result will be required to take a test upon arrival¹
- Remember to wear a mask on your flight

Effective July 15, persons are encouraged to upload their COVID-19 PCR test result, taken 72 hours prior to travel via travelform.gov.bb. Persons should also travel with a copy of their results.

¹ The type of public health measures taken upon your arrival and during your stay will be dependent on the risk category of the country you are travelling from.

Persons travelling from low risk CARICOM and Caribbean countries, who have not visited a high risk country in the past 21 days prior to travel, will be exempt from the pretesting requirement. Visit barbadostravelprotocols.com for confirmation of country risk category.

UPON ARRIVAL

- Before disembarking, have your COVID-19 PCR test result visible (if applicable). These results will be screened for validity.
- If you haven't submitted proof of a negative COVID-19 PCR test result or the test is not validated, you will be required to take a test¹
- All travellers must undergo a health screen
- Based on your country of embarkation, persons who arrive with a negative COVID-19 PCR test may advance to Immigration, Baggage Claim and Customs and will be permitted to leave the airport.
- Masks must be worn while at the airport in Barbados.

Testing Options

1. You can have your test completed at the airport and await results at government accommodation at no additional cost to you.

Test results are expected to be available within 24 hours. Once test is negative, guests will be free to proceed on holiday.

- If your test is positive, you will be transported to an alternative accommodation for isolation, where you'll stay until you've recovered. Upon recovery, you can resume your vacation or you may return home

- Those persons who are deemed to have been in close contact with a positive case will be quarantined at approved facilities

The Ministry of Health & Wellness reserves the right to require the testing or placing in quarantine of any person, regardless of documentation presented.

¹A visitor who does not present a valid negative test result and who declines testing on arrival will be denied entry into Barbados.

Citizens, Permanent Residents and persons with permanent status who do not present a valid negative test result and decline testing on arrival will be quarantined in a Government facility.

DURING YOUR STAY

- For your safety and those around you, you must abide by all health protocols established in Barbados related to COVID-19
- Report any COVID-19 symptoms to public health officials or relevant hotel/accommodation management

WEAR MASKS

WASH YOUR HANDS

USE TISSUE

*Travellers from high risk settings may be monitored daily for the onset of symptoms with a follow-up COVID-19 PCR test at day 7. If this follow-up test is negative active monitoring would be discontinued. If a second test is not done persons will be monitored for 14 days.

Travellers from moderate risk countries will be monitored for 7 days

BEFORE DEPARTURE

All departing persons must wear a mask while in the airport

The Barbados Government reserves the right to change these procedures as deemed necessary as to ensure the safety of all travelers and residents. All updates will be provided accordingly.
